- Join us for a day of Camp activities, time for completing academic work, and enrichment. See the schedule below for a sample of our daily schedule.

- Bring a fully charged laptop, headphones, and access to schoolwork.

- Camp is led by Master Educator, Pat McKenzie, who taught at Westside Primary for 30 years. Prior to that, she ran Pat's Pre-School. She is a Camp Odyssey Veteran Leader whose 40 plus years in education make our program the most engaging and exciting program in the area.

- Maximum 15 campers per day!

School's Out Camps are a fun way to spend the day when school is closed. Creative art, group games, brain-busting STEM activities, and a variety of stations (sports, word games, music activity, crafts) will be included as well as free choice independent games.

When appropriate, **Virtual Instruction** will be incorporated and the campers can do their school assignments.

Campers need to bring their lunch. Temperatures will be taken upon arrival and mask wearing inside is required.
